

# My Cabin's North America Monthly Newsletter

## May 2023 Newsletter

### Taking a Look Back at Last Month:

- Our first **My Milla** rental unit was delivered to Jefferson, NY and we will be featuring the rental link on our My Cabin website soon
- We started production of our first three **My Milla Long** units for a resort project in Stowe, VT (resort link below)
- A **My Kalmus** unit was delivered to Pennsylvania to be used as another very cool backyard office
- **Stories from the 78** did an article and video on us, check out our factory operations and meet some of our team virtually (article link below)
- **Business for a Better World** featured us in their publication (article link below)

### What's Happening this Month:

- We are getting ready to send invites out for our launch party at the end of June
- We will be featured in **Realtor Magazine** later this month

- We were featured in **Woodall's Campground Magazine** (article link below)

### **Upcoming Announcements:**

- We will be hosting a ribbon cutting and launch party in June to officially welcome PrefabPads LLC to the Waukegan, IL community (more details to come)

### **What's Going on in the Industry:**

- Between now and 2030, it is predicted that the U.S. will need to construct roughly 1.7 million new homes yearly to close the housing gap
- North America is the fastest-growing region in the tiny home market compared to other regions. 57% growth will originate from North America
- The tiny homes market is expected to grow at a CAGR of 4.88% from 2022 to 2027
